

RTOERO Community Grants are intended to support local, community-based projects that will help RTOERO meet its strategic goals by:

- Improving the lives of members and seniors.
- Raising awareness and recognition of RTOERO within the community.
- Encouraging member engagement or recruitment.

If a grant is to be put towards a larger project or fundraising initiative, your application must make clear how the project aligns with the RTOERO goals and values. The maximum gift will be \$500.00.

Requests for non-specific donations to a charity will not be considered. RTOERO members cannot benefit monetarily from the project.

Please complete the form and submit to Don Farquharson at district28@rtoero.ca by May 10th. The District 28 Board will consider all applications and decide grant allocations.

Title of Project	Amount requested:
Applicant Name	
Are you a member of RTOERO District 28?	Y N RTOERO #
Home Address	
E-mail	Phone #
